|  | ROBERT PARKER | <p><b>Mai 2011 :</b>  87 /  89 : à boire de 2017 à 2021</p> <p>From this tiny 6.5 acre property, the 2010 is a powerful effort (14.5% alcohol) made largely from Merlot blended with a small amount of Cabernet Franc. Its dark plum/purple hue is followed by scents of damp earth, forest floor and red as well as black fruits. While it reveals good size and weight, the wine seems slightly monolithic. It should drink well for 7-10 years.</p> |
